## Student Advisory Council Holds Kick-Off Breakfast

The President's Student Advisory Council met at an informal breakfast gathering in the cafeteria Monday morning, November 12, to officially inaugurate the activities of the Council.

Approximately 75 members of the student body, representing the various classes, clubs and organizations on the Hill, and their faculty advisors, attended the breakfast. Following the breakfast, Dean of Students Charles A. Keown introduced the student representatives and the faculty and administrative personnel attending the breakfast, after which President Kelly Thompson addressed the group, outlining the purposes and objectives of the Council.

President Thompson stated that the Council had come a long way since its formation seven years ago, and that the time seemed ripe for the Council to become a more effective group than it had been in the past. Although the Council had been very helpful in the past in bringing to light student opinion on various issues pertinent to the college, Dr. Thompson is of the opinion that the full potential of the Council has not yet been reached.

### Better Cross-Section

Dr. Thompson told the members of the Council that rapid expansion and advancement being made in every facet of the college's operation called for comprehensive study of the organization of the Advisory Council in an attempt to allow for a better cross-section of student representation.

### NOTICE

The President's Student Advisory Council will meet tomorrow, November 15, at 4 p.m., in the Memorial Room of the Paul L. Garrett Student Center for the purpose of electing officers and members of the executive committee.

Following this meeting, which will last about an hour, the picture for the *Talisman* will be made.

He illustrated his point by saying that before one can construct a building that will stand up under the stress of time, there must first be a strong foundation for the building. He also stated that he felt that the foundation had

## Religious Emphasis Week Will Begin November 18

Dr. Eric Rust

Dr. Eric Rust, professor of Christian Philosophy, the Southern Baptist Theological Seminary, Louisville, will be speaker for Religious Emphasis Week, November 18-21. The annual event will begin Sunday at 7:30 p.m., with a convocation in Van Meter Auditorium.

"The Christian and the Changing World" is the theme of this year's Religious Emphasis Week. The address at the convocation Sunday and the address in chapel next Wednesday will be built around this central theme.

### Educated in England

Dr. Rust is of British descent. He was educated in England, receiving the B.S. degree from the Royal College of Science, London University, in 1930. At the same time he received First Class honours in Mathematics. Two years later he was awarded the M.A. degree and was named the Governor's Prizeman in Mathematics. The same year he received the diploma of Imperial College of Science and Technology.

It was in 1935 that Dr. Rust received First Class honours in Theology, along with the B.A. and M.A. degrees. The degree of bachelor of Divinity was awarded him in 1946. The three degrees in theology were awarded by Regents Park College and Saint Catherine's Oxford University.

Dr. Rust came to America in 1952. He has since been honored

## Alpha Epsilon Delta

## Establishment Of Pre-Medical Honor Society Is Announced

The establishment of the Gamma Chapter of Alpha Epsilon Delta Pre-Medical Honor Society was announced today by Dr. W. W. Norris of the Biology department.

The organization of the Pre-Medical Honor Society began early in the summer, when a group of senior pre-med students met with Dr. Norris to study the possibility of the establishment of such an organization on Western's campus. After making the initial contacts in the fall, the Gamma Chapter of Alpha Epsilon Delta Pre-Medical Honor Society was established.

At the first fall meeting of the Society J. Russell Ross was elected president. Other officers include Jack Sanders, vice-president; Joe Pugh, secretary; Joe Vance, treasurer; Travis Pugh,

LT. COL. ALBERT SCHOEPPER will direct the United States Marine Band when it performs in Van Meter Auditorium tomorrow afternoon and evening. Billed as "The President's Own," the band was established in 1798 by President John Adams. Lt. Col. Schoepper, who has been a member of the Band since 1934, became Band Director in May, 1955.

### In Van Meter

## Marine Band To Play Tomorrow

The United States Marine Band, the official White House Band, known as "The President's Own," will appear in Bowling Green at Western's Van Meter Auditorium, tomorrow, November 15, for two performances. One concert is scheduled for 2 p.m. for high school students and the evening performance is set for 8 p.m. for adults.

Tickets are now on sale at Bowling Green High School, Royal Music Company, and at the offices of Dr. Tate C. Page, head of Western's Department of Ed-

ucation; Mr. A. J. Thurman, College Heights Foundation and Dr. Thomas Stone, head of the college Department of Music.

The tickets for high school students at the afternoon concert are \$1.00 and college students will be admitted for the same fare plus their Western I. D. card identification.

The grand performance in the evening may be seen with patron tickets for two, at \$10.00; with reserve tickets in singles selling for \$2.00 and \$1.50 per person on general admission tickets.

ALPHA EPSILON DELTA pre-medical society was formally established today according to faculty officials. Organization of the chapter was begun in the summer. Officers were elected and objectives of the group were established at the first fall meeting. Faculty sponsor of the group is Dr. W. W. Norris, of the Biology department, at far left, front row, and faculty advisors are Dr. Glenn Dooley, sixth from left, of the Chemistry department, and Dr. H. L. Stephens, head of the Biology department.

## Bloodmobile Will Visit Bowling Green Nov. 15

The Red Cross bloodmobile will be at the State Street Methodist Church, Thursday, November 15, between the hours of 11 a.m. and 5 p.m.

The local hospital is now on BLANKET COVERAGE, which means that all the citizens of Bowling Green and Warren County will be met without cost for the blood itself. The quota for this visit is 220 pints.

The importance of meeting this

quota is to assure everyone of all his blood needs.

When a chapter does not meet its quota, or obtains less than 70 per cent of the quota, blood is supplied by the Red Cross only to those who have valid credit cards. These cards are issued to everyone who donates blood and the cards are good for six months. All members of your

## Western Players To Present Frost's "Masque Of Reason"

"A Masque of Reason" by Robert Frost will be presented by Western Players at Snell Hall Auditorium at 7:30 p.m. tonight.

Frost's "Masque of Reason" is a confrontation of God, Job, Job's wife, and the Devil. This confrontation reappraises, without agony, the imperishable issue between Man and God and Devil.

The production, which is to be presented as a dramatic reading, is directed by Sharon Stanley, junior English-French major from Sturgis. Robert Wurster, a member of the English department, is the faculty advisor.

The cast includes Al Young, Louisville, as God; Larry Siria, Enid, Okla., as Job; Shirley Lanham, Bowling Green, as Job's wife; and Hershel Welsh, Madi-

## Growing Pains...

By Douglas L. Verdier

One of the most perplexing problems facing any college newspaper is that of covering all the news from all departments, clubs, offices, and miscellaneous other sources. At the present time, there are on the Western campus over twenty different departments; about 75 clubs and organizations; 31 buildings, and so many other miscellaneous news sources that it would be almost impossible to list them all.

In order to provide for the most timely and complete coverage of all these various sources, the College Heights Herald expanded to a weekly publication schedule in September, 1961. Since that time it has continued this expansion until now, instead of being an 8-page weekly publication with an occasional 12-page issue, it has become more of a 12-page weekly publication with an occasional 8-page issue. More recently, 16-page issues have become almost as common as the 8-page variety.

In order to effectively operate such a relatively large college newspaper, it is necessary that a certain schedule be followed so that the operation and production of the newspaper is carried out as smoothly as possible. Wishing to operate as effectively as possible, the Herald gives priority to news stories on the basis of (1) news value, and (2) the time the story is turned in by a reporter. The complete processing of a story from the copyreader's desk to the final proof of the story after it has been set in type usually requires about two days, depending upon the amount of material to be processed. Therefore, it should be elementary that a story that is not released until the last minute will stand little chance of being published in the next issue, unless it is an extremely important story.

Make-up work on the College Heights Herald begins on Tuesday afternoon, and the paper is distributed the next day. By Friday, 90 per cent of all material that is to be published in the following Wednesday's issue must be turned in to the Park City Daily News, which publishes the Herald. The remaining ten per cent is made up, usually, of week-end sports events and important late-breaking stories. Anything else which is turned in at this time is held until the following week.

This, briefly, is the production schedule followed by the Herald. In order to provide the best possible news coverage, much advance planning and preparation must be done. In order to insure that your department, club, or organization receives the coverage it needs when it needs it, it will be necessary to take into consideration the aforementioned production schedule.

## From "Around-The-World" Comes A Library Display

By Linda Walker

A display of over 70 different articles representing countries throughout the world has been placed in the display case in the main reading room on the second floor of the library by Mrs. Herman Lowe, fourth grade teacher at the Training School, for the benefit of those who wish to learn about the customs of foreign countries.

Do you know that even today, in the twentieth century, the double wedding chain (a hand made silver chain) is still used in modern wedding ceremonies? Also, you wouldn't expect to find an image of an Egyptian Queen of 1320 B. C. in West Berlin, but you will find such a wooden replica in this exhibit.

The average person does not think of the Belgians as being exceptional craftsmen, but the exquisite hand-woven linen lace from Brussels assures you of their perfected skill.

A Czechoslovakian doll resembling her fair-skinned people and attired in her native dress gives one a picture of the Bohemian culture. In addition to the doll, there is a beautifully hand-made vase which is typical of their talent for making things of sheer beauty.

Alaska is the most represented

country in the display, and the bronze figure of the Alaskan pioneer "Skagway Bill" Fonda, is perhaps of most significance. However, this writer found the Eskimo yo-yo quite eye-catching, as it is so different from the American variety. It is made from the hair of a seal by the women of Quinkayak, a remote village on the Kuskakwin River.

A Spanish fan, a knife from Khalmader, a little check from Switzerland, and a totem pole from Seattle are among the many souvenirs in the collection.

During the past ten years, Mrs. Lowe has traveled quite extensively, visiting almost every country in the world. She chose her souvenirs from the viewpoint of a teacher hoping to benefit her students by broadening their knowledge of foreign countries. Further from her many experiences, she is able to tell her students things about other countries and other people that perhaps would not be found in any textbook. For instance, how many of you know that our fiftieth state refers to the United States as the "little louee forty-eight?"

The display will remain in the library until November 20, any everyone is invited to drop by the library and see the many interesting items on display.

## Book Marks

By Ferrell Jenkins

The Science Library is located on the second floor of the Kelly Thompson Science Building. Material related to the field of physics, biology, and chemistry are housed here.

The Science Library has only technical material. About 2000 books and over 100 journals make up the offerings. More shelf space is devoted to the technical journals than to books.

On entering the Science Library, we were impressed with the quiet, restful atmosphere so needed for studying. The room had a peaceful look about it; the sun was floating gently through the autumn leaves to add to the well-lighted decor. Blue, orange, and green pipes, containing chemicals for the chemistry labs on the third floor, run overhead, making unusual but colorful decorations.

The same color scheme is carried out in the chairs and other furnishings.

In the center of the room is a bulletin board where book jackets, important notices, and lists of new books are posted. New material is regularly coming to the Science Library and current shelving space is being rapidly filled.

A card catalog is available in the Science Library and a duplicate card is kept in the catalog in the main library. Biological, physical and chemical abstracts are also available.

The hours at the Science Library are determined, to a great extent, by the hours that the building is open. The current hours are: Monday through Thursday, 8 a.m. to 9 p.m.; Friday, 8 a.m. to 4:30 p.m.; Saturday, 8 a.m. to 11 a.m.

## European Tour Reveals Art Lover's Paradise

By Donna Robertson

Miss Ruth Hines Temple, head of the Art department, recently went on a tour which she termed to be an "art lover's paradise." This was the sixth journey abroad for Miss Temple and certainly a most satisfying one.

Miss Temple left by Pan American Jet for New York where her trip was officially initiated. Within 6 hours and 20 minutes she was in London where she spent two days visiting such widely known spots as Gloucester Cathedral. From London, she journeyed to Rome where she spent the day viewing special sights of interest.

Leaving Rome, Miss Temple traveled to Palermo on the northern coast of Sicily, where she marveled at the famous church, Monneale, known for its many colorful mosaics. Also while in Sicily, she frequented the location of ancient Greek remains of temples and theatres. Among those visited were Segesto, Selinunte, Agrigento, Old Syracuse, and Taormina, a section colonized by the Greeks during the classical period.

### Mt. Etna Eruption

An especially distinctive occasion was her visit to Mt. Etna. The eccentric timing resulted in the viewing of Mt. Etna at night while active. A few days after her departure, Mt. Etna erupted, causing extensive damage and attracting attention from many places.

In southern Greece Miss Temple traveled to Epidaurus, an ancient maritime city located on the eastern coast of Argolis. Epidaurus is a rocky peninsula with a natural harbor on the northern side and an open bay on the southern side. She also visited Delphi, a location in ancient Greece in the territory of Pharis. Delphi is famous for being the seat of the most important temples and the oracle of Apollo. It is situated

in a rugged glen in the midst of wall-like cliffs. Miss Temple had the privilege to attend the production of a Greek play, "Oedipus in Colonus," which took place in the ancient theatre, Odeon.

The itinerary later went to St. Albans, a cathedral city, market town, and municipal borough in the St. Albans parliamentary division of Hertfordshire, England. The city is named after the first English martyr, St. Alban. The abbey church stands on a hill there, which is the traditional site of martyrdom. She also viewed Louton Hoo and the Hatfield House where Queen Elizabeth I lived. The Hatfield House is rich in portraits of and by well-known persons, among which are three of Queen Elizabeth I.

From here, Miss Temple continued on to the island of Crete where she saw the very famous castle, Knossos. She also went to Mycenae, a natural rock citadel standing on the northern corner of the Argive plains, flanked in the north and south by deep ravines.

### Egyptian Sphinx

In Egypt, she wandered in the land of the pyramids, far more fantastic than what one could perceive without actually seeing. In addition, she saw the sphinx, an Egyptian statue having a lion's body and the head of a man.

Last but not least, in Istanbul, Miss Temple was amazed by the many variations of masks and Santa Sophia, some rich remains there. She also enjoyed a trip by boat up the Black Sea.

This extensive tour has augmented even more Miss Temple's vast knowledge of the arts. Certainly she was in an art lover's paradise. These images are vivid in her mind and will always remain an asset to her as she endeavors to teach higher education and share her experiences with others.

## HILLTOPICS

by DOUGLAS L. VERDIER

With football season officially over, Western Hilltopper sports fans can look forward to December 1 with a great deal of enthusiasm. On this date, two Hilltopper teams will go against opponents — one in the first game of the season and the other in a shot at the OVC championship. The Herald wishes the best of luck to Coach Ed Diddle's 41st Hilltopper basketball team and to Coach Tom Ecker's highly successful cross-country team.

### Hilltopic

Who's Who elections are now underway in the Garrett Student Center. All sophomores, juniors, seniors and faculty members are eligible and are encouraged to vote. Approximately 34 seniors will be elected.

### Hilltopic

Don't forget the Sadie Hawkins dance this Friday night from 8 until 12 p.m. in the Student Center. This is the annual "girl take boy" affair on campus where everyone is asked to dress "Dogpatch" style. Tickets may be purchased from members of the Junior class at \$2.00 in advance and \$2.50 at the door.

### Hilltopic

Tomorrow, the United States Marine Band will give two performances on campus. This is a unique opportunity to hear one of the most famous musical organizations in the world.

### Hilltopic

Due to the Thanksgiving holidays, this will be the last issue of the Herald published until December 5. For those of you who will be traveling during the holidays, we say "Drive carefully — the life you save may belong to one of our readers."

### Hilltopic

Religious Emphasis Week begins next Sunday, November 18, with convocation in Van Meter Auditorium at 7 p.m., and will last until Wednesday, November 21. Be sure to attend the many activities and programs planned during these three days.

### Hilltopic

With mid-term exams out of the way, it might not be a bad idea to start looking toward January 21. That's the day final exams are scheduled to begin.

### Hilltopic

Student motorists should be careful to observe traffic regulations posted around the campus. Speed limits and stop signs on campus drives are placed there for everyone's protection, and motorists should be courteous enough to obey them.

**SHIRLEY ANN CHANDLER** — a former member of Western Players, returned to Bowling Green recently to perform at Manhattan Towers during a promotion tour for her latest recordings. In the near future, Miss Chandler can be seen in the Warner Brothers production "Gypsy." Pictured above are Miss Chandler and Hollywood director Mervyn LeRoy, discussing the script for "Gypsy," which will star Rosalind Russell, Natalie Wood, and Karl Malden.

## Former Western Player Now Recording Artist

By Wallace Hayes

Blue-eyed and blond-haired Shirley Ann Chandler, a 24-year-old starlet, hopes to establish her career within the next two years.

Miss Chandler, daughter of Mr. and Mrs. Clissie Chandler, of Scottsville, first performed at the age of five. At the age of 15, she won the "Best Straight Actress" trophy from the Indianapolis High School Drama Festival. It was not until Miss Chandler was awarded this trophy that she decided to enter show business as a profession.

Trying to get a start, Shirley performed at Manhattan Towers Dinner Club while at Western. After approximately two years at Western, where she was a member of Western Players, she transferred to Indiana University where she received her bachelor of arts degree with a major in Theatre Arts and minors in French and History.

Interested in promoting her career, Shirley has done work in summer stock theatre, made television appearances and has done night club work in such places as Malden Bridge, New York—at the Madlen Bridge Playhouse; Pasadena, California—at the Pasadena Playhouse; Louisville—on the Pee Wee King Show; and Greensboro, North Carolina—at the Plantation Supper Club.

### Performs in "Gypsy"

Shortly, Miss Chandler can be seen, along with Rosalind Russell, Natalie Wood, and Karl Madlen, in the Warner Brothers production "Gypsy." She has the role of a "Hollywood blond." Also Shirley can be seen in "77 Sunset Strip," which is to be released December 23.

Presently, Miss Chandler is on a promotion tour for her latest records, "Rule With Your Head, Not Your Heart" and "A New Day Is Born In the West." A later release of "Remember That

## Jefferson Co. Club Elects Officers

Organizing an outing for some of the Potter Orphanage children was the main order of business at the November 6 meeting of the Jefferson County club.

Two officers were elected at this meeting — Tom Eddleman, president, and Sue Ellen Grant, vice-president. Mr. Bob Cochran was announced as the club's sponsor for the coming year.

The next meeting will be held tonight in the Little Theater of the library at 6:30 p.m.

The coming meeting will include the election of the remaining officers, election of Miss Jefferson County, membership drive, and the forth-coming Jefferson County club party will take place at this meeting all students from Jefferson County are urged to join the club at this time.

This year's club has something to offer all members: for the athletic the club offers its football team, bowling team and handball players, later will come volleyball, basketball, track and softball teams, for the civic minded the club plans several school and community projects and for the social minded the club will have its share of parties, dances and fun. The club urges all interested persons to attend all future meetings.

## Kentucky Library Association Holds Conference In Lexington

"Together We Can" was the theme of the program of the Kentucky Library Association Conference, held in Lexington, October 25-27. The need for cooperation among different types of libraries and librarians was emphasized.

Those attending from Western were Miss Margie Helm, director of library services; Miss Elizabeth Coombs, Kentucky Librarian; Mrs. Dan Terhune, assistant reference librarian; Mrs. Janice Mayhew, circulation librarian; and Miss Vera Grinstead, library science department.

The opening program of the Conference was a discussion on cooperation by Miss Lucile Nix, Director of Georgia Public Libraries, and Miss Sarah Jones, Consultant for Georgia School Libraries. Other outstanding speakers for the Conference were Mrs. Janice Holt Giles, author of *The Dollmaker* and *Seedtime on the Cumberland*, who spoke on Kentucky writers; Mr. Frazer G. Poole, Director of American Library Association library technology project, who

discussed innovations in technology which concerns libraries; Miss Cynthia Bowles, daughter of Chester Bowles, former ambassador to India, who presented a talk on the need to understand other cultures; and Mr. Adron Doran, President of Moorehead State College, who summarized the Conference.

## Model Sorority Meeting Held At Local Home

Mrs. Joe Beauchamp, 1500 Roselawn Drive, recently hosted the model meeting of the Alpha Beta Chapter of Beta Sigma Phi at her home.

Mrs. Robert Miles presented the program on self estimate. Following the program, refreshments were served to six pledges and thirteen members.

## SNEA Speaker

# Dr. Page Sees Education As Hope For World Peace

Ordinarily the SNEA meetings at Western are rather sedate affairs, but when the Coachmen, Western's new and highly regarded folk-singing group, sang during the last meeting, the SNEA members almost brought down Snell Hall with their applause.

The Coachmen sang in Kingston, Jamaica, and at the University of Indiana last summer. They learned one of their selections, *Banua*, from a native group while in Jamaica.

The members of the group are: Jim Gage, who plays the guitar; Paul Jordan, ukulele; Jerry Harrison, guitar; and Gary Duncan, banjo. Gage, Jordan, and Harrison are members of the Delta Tau Sigma fraternity.

Their selections, in addition to *Banua*, consisted of *Four Jolly Coachmen*, *Froggy Went a-Courin'*, and *Superman*.

The guest speaker for the evening was Dr. Tate C. Page, head of Western's Department of Education. He spoke of education as the hope of the world in the search for peace and the fight against communism.

### KSEA Workshop

Kay Bledsoe, secretary of the SNEA, described the activities of the Kentucky Student Education Workshop at Cumberland College.

The workshop was attended by ten Western students. They were Kay Bledsoe, Faretta Clayton, Sue Clemmons, Pat Garrett, Donna Green, Anna Manco, George Gladys Stansell, and Weldon Martin, the SNEA president at Western.

The theme for the workshop was "Stepping into Your Professional Shoes." The topics discussed were the leather; the sole and arch; and the tongue and ties.

## Allen Co. Club Elects Officers

Members of the Allen County club met Wednesday, October 31, at 7 p.m. at the Student Center to elect officers for the coming year.

The officers elected were as follows: President, Joe Watkins; Vice-President, Marvey Wood; Secretary, Joyce Owens; Publicity Chairman, Jimmy Calvert.

Mr. Willard Cockrill, former resident of Allen County, will serve as advisor of the newly formed club.

A committee was appointed to draw up a constitution for the new club. Those serving on this committee are Carl Lambert, Joyce Owens and La Recca Tabar.

A social activity committee was also elected. Those serving are Linda Whitlow, chairman, John Cliburn and Helen Foster.

The first Thursday night of each month was set aside for regular monthly meetings.

Dues were set at one dollar per semester for miscellaneous projects and activities.

### Miss Temple Attends Meet At Randolph Macon College

Miss Ruth Hines Temple, head of the Art department, recently attended an alumni and workshop meeting at the Randolph Macon Women's College in Ashland, Virginia. The meeting was conducted on the campus. Miss Hines left on October 11 by plane and returned October 13 after the completion of the conference.

# Two From Western Cop Art Exhibition Awards

Mr. William Loy, Department of Art, and James Hoagland, a senior art major, have received awards at the Mid-States Annual Exhibition, Evansville, Indiana.

Mr. Loy was awarded a museum purchase prize for "The Garden," an experimental collage. In addition, Mr. Loy's wood sculpture, "Waiting One," received a museum honorable mention.

The collage generally denotes a combination of various kinds of materials reordered in an original form. For the past year, Mr. Loy has been experimenting with the possibilities of using the collage as a basis for printmaking. This fall the College Research Committee granted Mr. Loy re-

search funds for further exploration of these possibilities.

Mr. Hoagland, an art major concentrating on printmaking, received the Tri Kappa Inc. Epsilon Theta Chapter Award for graphic arts for his engraving and etching, "Jehad."

The juror for the competitive exhibition was Mr. Christopher Gray, Chairman of the Department of Fine Arts, Johns-Hopkins University, Baltimore, Maryland. Mr. Gray selected 179 works for the exhibition. The works chosen represented art from Tennessee.

Additional prints by Mr. Loy, Mr. Hoagland, and Miss Carolyn Alston, Tallahassee, Florida, were also accepted for the exhibition.

# Pall Mall Presents~ GIRL WATCHER'S GUIDE

## CAMPUS TYPE IV

Few sights in all the world of girl watching are as breathtaking as the unexpected observation of a Gym-Dandy in midair maneuver. Plato might well have had the Gym-Dandy in mind when he wrote, "When a beautiful soul harmonizes with a beautiful form, and the two are cast in one mould, that will be the fairest of sights to him who has the eye to contemplate the vision."

Although the Gym-Dandy is a joy to behold even while tightening the laces of her sneakers, she must be seen in action to be fully appreciated. The same thing is true of a Pall Mall. It's a long, firm cigarette in a handsome package, but it must be tasted to be fully appreciated. Try Pall Mall and see.

**Pall Mall's natural mildness  
is so good to your taste!**

**So smooth, so satisfying,  
so downright smokeable!**

# Well-Equipped Training School Does More Than Train Teachers

The Training School exists for the primary purpose of training teachers. It provides laboratory and research experiences for teacher-education students. It also serves as a demonstration school for in-service training of teachers in this area and in other areas of Kentucky.

It is the desire of the Training School to provide an atmosphere of democratic learning which will make it possible to carry out these functions in an effective manner.

The Training School is organized on the six-six plan with grades one through six composing the elementary school. These self-contained units have one supervising teacher for each grade. The secondary school, which is departmentalized, consists of grades seven through twelve. Regular classroom activities include physical education for grades and high school, instruction in vocal and instrumental music, and instruction in wood work and metal work.

## Additional Features

In addition to classroom activities, the school maintains student health services under the direction of a full time physician and a graduate nurse; a high school library of more than 8,000 volumes under the supervision of a full time librarian; classroom libraries for the elementary grades, a reading and psychological clinic adequately equipped for the purpose of diagnosing reading and other educational difficulties of children.

The high school is given the highest accreditation both by the State Department of Education and by the Southern Association of Colleges and Schools.

The Training School maintains throughout the year a child clinic for the purpose of diagnosing learning difficulties and applying appropriate remedial measures.

The diagnosis of such difficulties is based on a thorough analysis of each child's educational status. In the main, the analysis is based on the results of intelligence tests, standard achievement tests, tests of vision and hearing, personality tests, and other such pertinent data as will assist in understanding the child.

The facilities of the child clinic are available to teachers, principals, and superintendents under certain conditions. Interested persons should write the director of the Training School for additional information.

## Training School Objectives

The following objectives of directed teaching have been set up by the Training School.

1. The development of a sound philosophy of teaching.
2. An understanding of the total school program and of the specific work of the individual teacher in relation to the whole school.
3. A thorough understanding of the physical, emotional, mental, and social development of school pupils and of the relationship of this development to good instruction.
4. The ability to provide a good environment for learning and to manage routine matters so as to economize in time and to promote the maximum individual and group growth.
5. The ability to direct such student activities as assemblies, clubs, school and community functions, library work, homeroom activities, etc.
6. The ability to make and carry through both long-term (unit) and daily plans for teaching.
7. A knowledge and experience that will result in the ability to participate effectively in community activities.
8. The ability to assume full responsibility for teaching. (This ability should come about through a planned program of increasing responsibility.)
9. The ability to evaluate learning and teaching to modify teaching in terms of evaluation.
10. A continuous professional

growth directed toward an attitude and a philosophy that will result in further growth in service, including an understanding of and adherence to a professional code of ethics.

Teachers of special training in the field of supervision and of successful experience have charge of the classes in the Training School and direct the work of the student teachers.

Cooperation evaluation by both supervising teacher and student teacher is attempted, evaluating achievement with the above state objectives.

by the University of Richmond with a Litt. D. degree.

## Began In 1946

Work as a professor began for Dr. Rust in 1946, when he was appointed as professor of Biblical and Philosophical Theology, Rawdon Baptist College, University of Leeds. He taught one year at Crozer Theological Seminary, Chester, Pennsylvania. Since 1953, he has been with the Southern Baptist Seminary. In 1958 he received the appointment as professor of Christian Philosophy, the position he presently holds.

Six books, including one commentary, have come from the pen of Dr. Rust. His articles and reviews have appeared in learned journals. He is the author of the essay, "Does Science Leave Room for God?" in *Science and Religion* by 23 prominent American churchmen, edited by J. C. Monma.

LARRY DYKES, Sports Editor

Before the next issue of this paper is published, basketball Coach Ed Diddle will have opened his 41st year as head basketball mentor of the Western Hilltoppers. According to the 1962 Converse Basketball Yearbook Coach Diddle is now the winningest basketball coach in number of games won in the country. He has won 749 while losing 270. In second place is another Kentuckian, Coach Adolph Rupp. The University of Kentucky coach has won 669 games and has lost only 124.

One of the biggest tasks that has faced Coach Diddle and Assistant Coach Ted Hornback is finding replacements for All-American Bobby Rascoe and All-OVC center Harry Todd, who are gone from last season's champion OVC team. Fifteen candidates have been battling it out for a starting berth on what will be the last Hilltopper team to play in the "Red Barn."

Western will open their 1962-63 cage season on December 1, at Nashville's new Municipal Auditorium against David Lipscomb College. This will be the first time these two teams have met on the hardwood.

**Carrier, Jackson and Dunn Return**  
With three returning starters,

upon whom most of the load and the success of this year's team will depend, Coach Diddle is hoping he can come up with another guard and forward who can average about 15 points per game. Returning guard Darl Carrier will be expected to increase his point-per game average in hopes that he can take up some of the slack the Toppers may lack in scoring from their two new replacements. Jackson and Dunn will add rebounding strength as well as scoring threats.

### The Other Two Starters?

Who will be the other two starters besides Carrier, Dunn and Jackson? Your guess is as good as mine, but from watching several practice sessions it could be 6-6 soph Ray Keeton, 6-2 Ray Rhorer, or 6-1 Larry Castle. Rhorer has a bum leg and has missed practice, but is expected to be ready for action at the beginning of this week. Senior guard Danny Day is the best hustler on the team and he is going to make somebody fight before they can start.

### Eastern Team To Beat

It appears that Eastern along with Morehead and Tennessee Tech are the teams to beat this year in the Ohio Valley Conference with a slight edge going to Eastern. The darkhorse could be East Tennessee, as they had a good freshman team last year. As for the Toppers chance? I think if two or three boys come through for us we could make it two in a row!

**3,000 The First Day!**  
Championship Football By 12 Great Coaches, written by Western track Coach Tom Ecker and Paul Jones, sold 3,000 copies the first day it went on sale. The book was released on October 29, and is published by Prentice-Hall.

## Cards Begin Cage Action

College High has two letterman from last year's basketball team returning for the 1962-63 season which will open on November 27, against Richardsville.

The returning lettermen are Skipper Hutton and Charles Miller. Practice officially began November 2, but due to cross-country meets, these two boys are just starting practice with the other candidates. There are 18 hopefuls trying for the varsity squad and 40 trying out for the junior high school team.

The basket ball schedule for this season is:

Nov. 27 — Richardsville—H  
Nov. 30 — Campbellsville—H  
Dec. 4 — North Warren—A  
Dec. 8 Eastern (Louisville)—H  
Dec. 11 — Auburn—H

## Oma Krons Jump To First Place In IM Bowling

The Rebels got a loud 562 series from Paul Lowe last Wednesday, November 7, but the Oma Krons managed to jump into first place despite his efforts. The Rebels led the league last week.

In other bowling action, Sen Sings Dorm advanced from fifth place to third place while the Jefferson County club and Delta Kappa Nu exchanged positions. Jefferson County club now holds down fourth place and Delta Kappa Nu dropped to sixth place.

Maurice Sipes had high series with 573, Lowe's 562 total was good for second highest and Ron Hall took third highest honors with 540.

Team standings as of November 14, are as follows:

TEAM	W	L
Oma Krons	13	3
Rebels	12	4
Sen Sings Dorm	11	5
Jefferson County Club	8	8
Holly Rollers	8	8
Delta Kappa Nu	7	9
Ten Pins	7	9

## Intramural Flag Football Action

The men's flag football program continued play last week under new revised rules. The purpose behind the changing of the rules was to eliminate, as much as possible, the possibility of players receiving serious injuries. So far, the results have been very satisfactory.

In the action last week, Bakers Dozen edged out the City Slickers 18 to 12. A protest was made by the City Slickers and the game is not yet official. The Hardin County club outlasted Butler County 19 to 13. The Jefferson County club topped the Omar Krons 7 to 0 and the Deltas won by forfeit over the Rebels.

**Bakers Dozen 18**

**City Slickers 12**

Doug Toohey ran for one touchdown and threw TD passes to Tom Jenkins and Chet Zoeller to lead Bakers Dozen to their third victory. Paul Woodall ran for both of the City Slickers' touchdowns.

**Jefferson Co. club 7**

**Omar Krons 0**

Scoring the games' only touchdown in the last quarter on a pass from Dudley Bethold to Jim Cassillo, the Jefferson County

club topped the Omar Krons and remained undefeated. Bethold threw also to Cassillo for the extra point.

Jefferson County club and Bakers Dozen remain unbeaten, and in first place in their respective leagues. The Jefferson County

Club posted an impressive, 24-0, win over the Delta's last week. After a scoreless first half, Dudley Bethold hit Ed Haney in the end zone to break the scoring ice for Jefferson County Club. Moe

# Cage Season Opens Dec. 1 Against David Lipscomb

The Western Hilltoppers will open their 1962-63 basketball season on December 1, in Nashville against the David Lipscomb Bisons. This is the first time these two teams have met. The Bisons will have one game under their belts before meeting the Hilltoppers, as they open their season against Lambuth College on November 27.

## Optimist Club Football Banquet Set November 20

The Bowling Green Optimist Club's annual Football Appreciation Banquet for Western's gridgers has been set for Tuesday, November 20, at the Moose Lodge dining hall, starting at 6:45 p.m.

Judd Collins of WSM-TV, Nashville, Tenn., will be the principal speaker. Bert Borroni, sports editor of the *Park City Daily News*, will serve as master of ceremonies.

Trophies will be presented to the most outstanding offensive back, offensive lineman, defensive back, defensive lineman and the most valuable player.

Tickets, priced at \$2.50 each, are on sale at the College Business Office, Western Hills Restaurant, The Sports Center, Holland's Pharmacy, College Street Inn, and Hall's Men's Shop.

The Bisons have eight returning lettermen from last year's squad which posted a 8-13 record. Lipscomb will field their most experienced club since the 1961 VSAC Championship squad. Their schedule this year includes such teams as Transylvania, the University of Chattanooga, Stetson University and Western.

Returning from last year is Ralph Isenberg, the team's second leading scorer, and 6-3 John McCarley, from nearby Auburn, is expected to strengthen the Bisons' hopes at forward.

The Hilltoppers have three returning starters back from last year's squad, which won the Ohio Valley Conference by a record four games. As to who will be the other starters, it is too early to tell just yet. It could be 6-6 soph Ray Keeton, 6-1 Larry Castle, 6-2 Rhorer or 6-0 Danny Day.

Coach Diddle, who opens his 41st season, will be after win number 750 and this will be his 1020th game since coming to the Hill. The Toppers play their first home game on Tuesday, December 4, against Texas Wesleyan.

## COMMITTEES: AN AGONIZING RE-APPRAISAL

To those of you who stay out of your student government because you believe the committee system is just an excuse for inaction, let me cite an example to prove that a committee, properly led and directed, can be a great force for good.

Last week the Student Council met at the Duluth College of Veterinary Medicine and Belles Lettres to discuss purchasing a new doormat for the students union. It was, I assure you, a desperate problem because Sherwin K. Sigafoos, janitor of the students union, threatened flatly to quit unless a new doormat was installed immediately. "I'm sick and tired of mopping that dirty old floor," said Mr. Sigafoos, sobbing convulsively. (Mr. Sigafoos, once a jolly outgoing sort, has been crying almost steadily since the recent death of his pet wart hog who had been his constant companion for 22 years. Actually, Mr. Sigafoos is much better off without the wart hog, who tasked him viciously at least once a day, but a companionship of 22 years is, I suppose, not lightly relinquished. The college tried to give Mr. Sigafoos a new wart hog—a frisky little fellow with floppy ears and a waggly tail—but Mr. Sigafoos only turned his back and cried the harder.)

*He only turned his back and cried the harder.*

But I digress. The Student Council met, discussed the doormat for eight or ten hours, and then referred it to a committee. There were some who scoffed then and said nothing would ever be heard of the doormat again, but they reckoned without Invictus Millstone.

Invictus Millstone, chairman of the doormat committee, was a man of action—lithe and lean and keen and, naturally, a smoker of Marlboro Cigarettes. Why do I say "naturally"? Because, dear friends, active men and women don't have time to brood and bumble about their cigarettes. They need to be certain. They must have perfect confidence that each time they light up they will get the same gratifying flavor, the same Selectrate filter, the same soft soft-pack, the same flip top flip-top box. In brief, dear friends, they need to be sure it's Marlboro—for if ever a smoke was true and trusty, it's Marlboro. Get some soon. Get matches too, because true and trusty though Marlboros are, your pleasure will be somewhat limited unless you light them.

Well sir, Invictus Millstone chaired his doormat committee with such vigor and dispatch that when the Student Council met only one week later, he was able to rise and deliver the following recommendations:

1. That the college build new schools of botany, hydraulic engineering, tropical medicine, Indo-Germanic languages, and millinery.
2. That the college drop football, put a roof on the stadium, and turn it into a low-cost housing project for married students.
3. That the college raise faculty salaries by \$5000 per year across the board.
4. That the college secede from the United States.
5. That the question of a doormat for the students union be referred to a subcommittee.

So let us hear no more defeatist talk about the committee system. It can be made to work!

# Western Edges Murray 16-15 To Close Out Football Season

Murray's homecoming was a long, long day last Saturday as the Hilltoppers nudged the Thoroughbreds 16-15 before a capacity homecoming crowd of 8,000. Once again it was quarterback Jim Daily and halfback Jim Burt who iced the game in the final minutes with a 46-yard pass for a touchdown. It was the same last week to knock off Morehead, 7-0.

Murray seemed a sure winner

Miller threw to Jim Gassillo for two touchdowns and ran 25 yards for the final score of the afternoon.

Bakers Dozen won their third straight game with a 14-0 victory over Hardin County club. Moe Miller threw to Jim Gassillo for two touchdowns and threw 25 yards for the final score of the afternoon.

Doug Tochey had a hand in all of the Bakers Dozen scoring. Tochey returned a kick-off 70 yards for a touchdown and threw to Tom Jenkins for the other touch down. Tochey also tossed to Jenkins and Bob Graham for two extra points.

### OTHER GAMES

In other action last week, the Lambda's downed the Oma Kron 12-6. Lambda touchdowns came on a five yard run by Leon Mudd, and a pass from Ron Glass to Rod Williams. Hub Reese scored the Omar Kron's lone T. D. on a 10 yard run. The City Slickers and Butler Co played to a 6-6 tie. Paul Woodall scored for the City Slickers, and Charlie Harris for Butler County.

Oma Krons rebound from their loss to the Lambdas earlier in the week, and edged past the Rebels, 21-18. Hub Reese, Wayne Copas, and Jack Doyle each had touchdowns for Shaw, Denny Sunburck, and Crosby Bright posted scores for the Rebels. The Oma Krons also scored on a safety. In the one other game played last week, Butler Co. defeated Sigmas, 18-6. Charlie Harris scored two times, and Bob Suffill once for Butler Co. Bob Hall passed to Denny Doen to the Sigmas touchdown.

in the last minutes of the third period with a 15-10 lead in the see-saw battle. But Jim Daily's passing moved the Hilltoppers 70 yards in the closing minutes to hand Murray their third one-point loss of the season.

Western finished the season at 3-3 in OVC competition and 5-3 overall. Murray's final OVC standing is 1-5 with one game remaining in overall competition.

Western's winning march actually went 78 yards, since Daily was thrown for an eight yard loss on the first play from scrimmage, bouncing him back to the Topper 22. Then he threw to Carson Culler for ten and a penalty

## Redbird Cops Top Honors In Regional Run

Skipper Hutton, a senior at College High, took first place honors at the regional cross country meet which was run last Friday, October 26. He ran the two-mile course at Lampkin Park in 10:43 and finished ahead of 35 other runners from five high schools. For being the individual winner, Hutton will advance to the state cross country meet being run in Lexington on November 10.

Greensburg High School placed first in the team competition over Owensboro High School which took second place, Bowling Green High School in third place, College High in fourth, and Glasgow Bunche High School which finished last. Greensburg will represent the region in the state meet.

Hutton has lessened his time considerably from 11:48 in the season's first meet to his best mark of 10:43, which he will take into the state meet, a total reduction of 1:05.

## Women's IM Tennis Ends

The Women's Intramural Tennis Tournament came to an end October 31, with both the singles and doubles championship games being played on the Western courts. The combined efforts of Wilma Sharp and Kitty Proctor, both of New Residence, won for them the doubles title.

In the singles division, Kathy Kulp, from the New Residence Hall, defeated Becky Fryer from McLean Hall to win the singles title. These four girls will represent Western at a sports day to be held here on the campus later in the year. The sports day will be a competitive event for girls attending the states colleges and universities.

Other W.K.S.C. activities are the beginning of the bowling and basketball season. Bowling began Wednesday November 7, at 4:00 p.m., while basketball got under way with practice between the No. 1 teams from Whitestone and New Residence in the College High gym on Thursday, November 8, at 6:30 p.m.

against the Thoroughbreds advanced Western to its own 47.

Daily then passed to Bill Mumford for five, to Culler for no gain and to Jim Burt for 12.

### Daily To Jim Burt

The Hilltoppers then picked up a personal foul which pushed them back to their own 49 but Daily hit end Stan Napper on the Murray 46. On the next play, Daily tossed to Jim Burt for the winning score. Ed Crum's placement was blocked but that was the game.

Murray's scoring came in the first quarter on a field goal, second-quarter TD, and a third-quarter TD. Quarterback Tony Fioravanti tried desperation passes in the last quarter as the Hilltoppers were leading 16-15 but all was in vain as the Topper pass defense and rushing linemen were at their best.

### Field Goal

Western's opening score came in the first quarter with John Burt going in from the two. Then a field goal by Ed Crum in the second quarter put the Toppers ahead at the half by a 10-9 score.

The big guns for the Hilltoppers in the backfield were Jim Daily; John Burt, Jim Burt, and Joe Jaggers. End Stan Napper stood out in the line as did end Bill Mum-

## Ecker's Runners To Meet Williamsburg

Western's cross country harriers, enjoying a prosperous year under the direction of Coach Tom Ecker, journey to Williamsburg November 17, to compete in the Southern States Cross-Country Meet.

The Toppers, led by senior Mike Roberts and freshmen Tom Graham and Mike Oliver, will try to duplicate their previous win

over favorite Cumberland College. Cumberland will have the advantage of running on their own course.

Coach Ecker stated that the Cumberland runners suffered an off-day when they met and were edged out by the Toppers earlier in the season, and that this meet should really be a rough one.

**HISTORY-MAKING HILLTOPPERS**—Western's first cross-country team ever displays the Union University Invitational's first-place trophy they captured at Jackson, Tenn. ## Down Murray Again

# Harriers Capture First Place In Union Cross-Country Meet

Western's cross-country team brought home the first track trophy in twenty-three years last weekend after edging out defending champion Murray 46-47 to win the Union University Invitational cross-country meet at Jackson, Tennessee. This was the second time the Toppers have beaten Murray, who in the years past had been the power of the OVC.

It was a boy who didn't make the traveling squad last week that

made the difference between first and second place. Steve Lyons out ran a Murray runner to finish 11th, which was the point needed for the victory. Murray was so upset after their loss that they refused to accept the second place trophy.

### Graham Finishes Fifth

Tom Graham, the Scottsburg, Indiana freshman, was the first Western runner to cross the finish line as he finished fifth, covering the 3 1/4 mile course in 18:46 minutes. Graham was followed by teammates Mike Roberts, seventh; Mike Oliver, eighth; Steve Lyons, eleventh; and Jack Mahurin, fifteenth.

Murray's Curt Sanders was the winner as he set a course record of 18:14, clipping a full twenty seconds off the mark for the course.

If John Noel has recovered from an injury received during the Union meet, Coach Ecker states that he will take his harriers to Williamsburg, for the Southern States Cross-Country Invitational meet on November 17, where the competition will become stiff against such schools as Alabama, Carson-Newman, Cumberland Eastern, and Tennessee Tech.

**OVC Meet December 1**  
Murray will get another crack

at the Hilltopper thinlies at the final OVC meet on December 1, at Cookeville, Tenn. The Toppers have now become the favorites to capture the conference crown.

Team scores of the Union University meet are Western, 46; Murray, 47; Tennessee Tech, 90; South Western, 110; Union University, 11; Mississippi College, 125; Lambuth, 208; David Lipscomb and Florence State were entered in the meet, but failed to finish five runners and did not score.

## PE Club Members Attend KAHPER Fall Conference

Western's representatives of the Physical Education Club, Louise Hill, Romona Knott, Frank Moore, Jerry Resch, and Lorraine Thomas attended the fall conference of the Kentucky Association for Health, Physical Education, and Recreation which was held October 26, 27, and 28, at Kentucky Dam Village.

These five students played an instrumental part in the student instruction that was headed by Dr. Zedie Harold of Morehead.

## Newell Elected President At W Club Meeting

The "W" club held its first meeting of the year and elected officers for the coming year. The qualification for an officer in the "W" club is a varsity letter in one of the major sports at Western. Assistant coach and "W" club advisor Jim Feix presided over the meeting until the officers were elected.

Elected to offices in the "W" club were: president, Ollie Newell, senior Physical Education major; vice-president, William Moore, senior Physical Education major; Secretary, Danny Day, senior Business major; Treasurer, Buzzy Best, senior History and Political Science major; sergeant at arms, Joe Bugel, junior Physical Education major.

### Feix Gives Talk

Coach Feix provided a brief talk on some of the purposes of the "W" club. The club development of leadership potentials an athlete may obtain outside the classroom. The club is run by the athletes and all sorts of friendships and ties are made through the active "W" club.

Coach Feix turned the meeting over to president Ollie Newell who began an open discussion on the Hilltop Invitational Track meet which is to be held at Western's stadium April 27, 1963.

The Western cheerleaders were nominated as honorary members of the "W" club.

### High School Letters

A policy was made by the "W" club concerning letter jackets and sweaters. All students are requested to remove all letters from jackets and sweaters that do not symbolize a "W" earned here at Western. The club voted unanimously that all students retire their high school and prep school letters and only symbolize the "W" for Western.

All members of the "W" club are urged to attend the next meeting which is to be held Tuesday, November 20, at 7 p.m. in the "W" club room.

## Soviets Win First Of Three

# Rascoe Plays With AAU Team Against Russians In Nashville

(EDITOR'S NOTE: This interview with Bobby Rascoe written by Ronnie Stuart is printed here as it appeared in yesterday's edition of the Park City Daily News. The game was Monday.)

By Ronnie Stuart

NASHVILLE, Tenn. — Former Western basketball ace Bobby Rascoe says the Russian Olympic team currently on tour in the United States would have a hard time beating Ohio State, the team which twice sidelined the Hilltoppers in the NCAA Tournament.

The All-America star was interviewed both before and after the Russians beat an AAU team, 68-59, in the first basketball game ever played in Nashville's new \$5 million Municipal Auditorium. It was the Soviet's first triumph in three games of the tour.

Rascoe scored three points, the first time he has dented the scoring column against the Soviets.

### Rusians Developing Fast

The ex-Hilltopper predicted that the Russians soon will be capable of beating the best teams in the U. S.

"They are still learning the game, but they seem to concentrate more on the sport than do most American teams," he said. "Basketball comes natural to us and we enjoy it. They really work at it."

Rascoe said the Soviets have patterned most of their plays after U. S. teams and the Red players have the same moves that top college and AAU stars have. "They have evidently studied our movies very closely," he added.

### AAU Tougher Than College

Rascoe, who expressed hopes of making the 1964 U. S. Olympic team, said the Russians are as competitive a team as he has ever played against. "These boys can really get rough on the boards," stated Rascoe, who made a career of grabbing offensive rebounds and popping them back through the hoop.

Rascoe described AAU ball as much rougher than college ball. He said the big difference comes in the fact that all the boys are stars and there are no weak points. Rascoe said the defense is better than in college.

RASCOE EXTENDS HAND TO SOVIET—Bobby Rascoe, Western hard-wood star, wishes luck to Yuriy Korneiev, in pre-game activities of an American AAU-Russian basketball game Monday night in Nashville. Korneiev is holding a packet of gifts symbolic of the South which was presented by Rascoe on behalf of the city of Nashville.

Rascoe, who made his first start of the tour last night, has really felt the effects of the defense. He appeared briefly in the first game and did not see action in the second game. He had not scored until last night.

### Hits For Three

He played about two-thirds of the first half without scoring, but collected three points early in the second half. He attempted only two field goals and sank one—a jump shot from his favorite spot, just outside the circle.

He connected on one of two free tosses.

The games with the Soviet team are being played under International Basketball Rules, and no one-shot fouls are called. On a foul normally calling for one shot, the offended team brings the ball in from out of bounds. All fouls give the offended player two shots in the last five minutes of the game.

Rascoe's first three points of the series were not enough as the Russian team dropped the U. S. team. A Russian women's team, which played Nashville Business College's national champion wom-

en's team, also won. The score of that game was 51-40.

### Western Squad Attends Game

Pete McCaffery, a former ace at St. Louis University, was high point man with 15 points — all in the second half — and was voted the most valuable player award for the U. S. team. The same award for the Russian team went to Genadiy Volnov, a 6-7½ forward who took game scoring honors with 16 points.

Six members of the Phillips 66ers, the AAU team with which Rascoe will play the 1962-63 season, are also participating in the tour. From Nashville the group goes to Lubbock, Tex., for a game.

Attending the game Monday night were Ed Diddle, basketball coach at Western, his assistant Ted Hornback, and members of the Western team. The new auditorium at Nashville is similar to the \$2.9 million Diddle Arena being constructed on the Western campus.

Diddle's 1962-63 version of the Hilltoppers will open their season in the Nashville Auditorium against David Lipscomb College.

an excellent beginning and that it was now time to begin building upward and creating the framework of a sturdy construction.

When an effective plan for the reorganization of the Advisory Council has been completed, Dr. Thompson said that the plan would be sent to the Board of Regents for adoption by the college.
